- Over 1400 lumens output** - Using the very best high output Cree LED technology, the SI7 Scenelite produces 1420 lumens.
- Solid aluminium casting** - This gives a robust product and ensures the LEDs run as cool as possible for longer life.
- Unique curved PCB** - By pre-bending the aluminium PCB, the LEDs provide improved light distribution for a safer working environment.
- Waterproof to IP67** - The tough outer enclosure and potting over more sensitive components provides protection against severe weather conditions and pressure washing.
- Available in BLACK (SI7_5-3MV), WHITE (SI7_5-3MVWH) & RED RAL3000 (SI7_5-3MVRED).
