

B6TDU12 Diving Torch

Product Description

The Base6 TDU12 is the ideal high powered compact underwater torch. At 1050 lumens the TDU12 diving torch is one of the brightest dive torches available in this compact size.

The TDU12 has been designed with double O rings to resist water pressure up to 200 meters and has a range of 100 + meters of light distance with approximately 180 mins of runtime.

The unit is operated by a magnetic switch on the outside of the torch allowing for easy on and off control under water even while wearing gloves.

Specification

Lumen	1050
Dimensions	204x33x47mm
IP Rating	IPX8
Functions	Magnetic Twist On/Off
Housing Materials	Aircraft grade 6061-T6 aluminium alloy
Warranty	1 Year Manufacturer Warranty
Battery Type	Accepts 2x 26650 or 2x 18650 Rechargeable Li-ion

Product Features

- Securely sealed Magnetic Switch Technology for superior water resistance
- Extra thick anti pressure glass lens for diving
- Waterproof grade IPX-8,200meters diving depth
- New hybrid reflector specially designed for CREE LED, which allows for better beam quality, efficiency and throw capability
- Accepts both 26650 and 18650 rechargeable Li-ion batteries, providing high output and long runtime
- Specially designed for Diving, Camping, Mountaineering, Self-defense, Hunting and Outdoor sports
